

continuity of care experience

Hi, my name is Maheen and I am a Nursing and Midwifery student at Monash University.

As part of my course, I am looking to follow expecting mothers through their pregnancy journey and establish a trusting relationship. This includes attending:

- 
- **4 antenatal appointments**
 - **the birth (optional)**
 - **2 postnatal appointments**
- 

The interaction can occur via phone if face-to-face is not possible due to COVID-19 restrictions.

I have already followed 8 women and it has been a privilege to support and empower them, while learning from their experiences.

If you are interested or know of any expecting mothers, feel free to contact me!

Location: Melbourne CBD and surrounding suburbs
